

**Proposal on Deletion of Old Series from Catalog**

Production discontinuation of old series at Rubycon is implemented as planned.  
 Technical documents and samples are available upon the request to study alternative products.

Please consult us if continuous supply of products is necessary after the announced discontinuation date of the series.

It is greatly appreciated that you would understand and accept the proposal stated in above.

**LIST OF SUBSTITUTE FOR PREVIOUS SERIES**
**◆ MINIATURE ALUMINUM ELECTROLYTIC CAPACITORS**

FEATURES	PREVIOUS SERIES	FINAL ACCEPTED ORDER DATE	SUBSTITUTE SERIES (PAGE)
SMD	REV	2007.09	SEV (61)
